Annual Statement of Qualified Status – 2023

We are Qualified in the roles detailed below using MPID PENL:

R - Distributor
3 – Unmetered Supplies Operator (UMSO)
J – Supply Fault Information Centre
P – PRS Agent
W – Revenue Protection Service

Current MSID count: 6,993 Energised MPAN's

We acknowledge that we have copies of the latest versions of the BSC and BSC Procedure 537 specified in the BSC Baseline Statement from the BSC Website.

By this letter, and in accordance with Section J and BSCP537, **Leep Electricity Networks Ltd** declares that we have made no Material Changes to our systems or processes since our original Qualification or our last Annual Statement.

We confirm that we will undertake a Risk and Impact Assessment (RIA) should we make any changes to our systems, staff or processes, in order to conclude whether or not those changes could be viewed as material.

We have provided confirmation below regarding any upcoming changes*:

Question	Response	Expected implementation date (if known)
Are there any planned system upgrades/changes?	Change of service provider for the provision of the CSS Adapter Service. No risks are anticipated as a result of this change however we plan to complete and submit a Risk Impact Assessment prior to implementation.	August 2023

Is there any upcoming restructuring? I.e., offshore, mergers, outsourcing	No	
Are you going through a period of rapid growth/contraction?	No	
Are there any other changes that could affect your performance?	No	

Yours faithfully,

Louise Manfredi

Registered Director
